

BOHEMIAN HANGING MOBILE - 9"X10" - BLUE

J-165-BLUE

From the Floating Grass Islands of Peru

A handmade bohemian hanging mobile, crafted with love by a family of Uros tribeswomen living on floating grass islands in Lago Titicaca, Peru. These colorful mobiles look great in any room, even as nursery decor. They're made from locally-harvested rushes - the same rushes used to build the tribe's islands and homes - then dyed and hand-tied. The floating boats and symbols represent aspects of daily life on the Uros Islands and will add color and charm to your global decor.
