

VINTAGE BLUE & WHITE CHECKED NAPKINS - SET/4

OOK-267

As classic as a summer picnic, from pattern to color palette, these woven plaid napkins are easy to mix and match with your existing dishes, glassware and cutlery. Plaids and checks always look great mixed with florals, stripes and other geometrics and this blue is practically a neutral. They'll go with everything! Beautiful details, including a hand-pulled and knotted self fringe. The vintage fabric has a softness that will only become richer as you use and love them. Durable enough for everyday use.
