

ART LIFE BOOK

BK-89562

Architect and designer Sig Bergamin is known for his eclectic vision and vivid interiors that are the perfect mélanges of chic. A constant traveller, Bergamin loves collecting treasures wherever he goes—totems that inspire and evolve his craft. He is also an avid art collector, a tendency that comes across in each of his meticulously designed spaces, where Warhols, Hirsts and Lichtensteins are seamlessly blended with minimalist and maximalist decor from around the world.

A vibrant tour of twelve interiors from Brazil to Portugal, *Art Life* not only celebrates Bergamin's diverse style, but also highlights his steadfast appreciation for art and history. The result is a kaleidoscopic oeuvre of interiors that serve as cultured dialogues between the comfort of home and the world at large.
